# PFAS Declaration

3/13/2025

To whom it may concern,

Per- and polyfluoroalkyl substances (PFAS), sometimes called "forever chemicals," is a group of thousands of substances widely used in many industries. Due to growing awareness of health and environmental concerns, PFAS are facing increasing scrutiny worldwide. In-force and proposed measures set restrictions or requirements on PFAS use in some jurisdictions, and due diligence may be necessary to meet legal obligations, ESG commitments, and/or business requirements.

We hereby send you information related to PFAS; this communication applies to all products sold or otherwise placed on the market by Smart Vision Lights prior to the signature date of this declaration.

**If no products contain any PFAS chemicals, this option must be selected:**
☒ Checking this box certifies that none of the products referenced above contain any PFAS substances.

**OR, if any products contain any PFAS chemicals, this table must be completed:**

| Product(s) | Substance Name or CAS Number | Concentration (%) | Where in the product is the substance found? |
|---|---|---|---|
